## Firearms in RGRC Vehicles

Personal firearms are not allowed in any RGRC vehicle during work hours.

RGRC Firearms Policy states:

- No firearm or ammunition that is not licensed to RGRC shall be stored or carried in any Roper Gulf Building at any time.
- No firearm or ammunition that is not licensed to RGRC shall be transported in an RGRC vehicle during working hours.

Carrying personal firearms in contravention of RGRC policy can result in disciplinary action up to and including termination of employment.

Any exemptions to this policy must be documented, risk assessed and approved by your Director and the CEO.
