**4. General Business**

**4.1. East Arnhem Regional Council Review**

Roger spoke about the previous meeting about what was discussed for the members that did not attend. Items discussed were:

- Job Employment for current Roper Gulf Regional Council Staff
- Service Delivery to the Community
- Communities gains and losses in regards to services

Selena proposed that since both East Arnhem Regional Council and Roper Gulf have not presented them with any information on what services can be delivered; they cannot bring the issue to the community without and of the facts. All members agreed.

Ella suggested when all the information needed is compiled and ready to talk to the community, it should be held in both an open area where everyone is free to walk in and also on a Thursday morning when everyone is at the open area in front of the office.

Roger pointed out should the extension not be granted the EAC then there would be no need to proceed.

## **5. Action Lists:**

- 5.1. Roger to talk to either CEO or Sharon Hillen on how to go about getting information needed to present to authority members on gains and losses from both East Arnhem Regional Council and Roper Gulf.**
- 5.2. Roger to also seek information from Jo Nichols on how Nick Sharah is going with proposing an extension of this submission**

## **5. Other Business**

**Meeting Closed at 3.56pm**
