Division 5 Mobile polling

31 Application of Division

This Division provides for the casting of ordinary votes and declaration votes by electors at a mobile polling place during the mobile polling period for the election.

32 Mobile polling place

- (1) The returning officer may, in writing, declare a specified place to be a mobile polling place for an election (other than a mandatory postal vote election) where votes may be taken by an authorised officer during a specified period (the ***mobile polling period***).
- (2) The declaration may specify:
 - (a) classes of electors who may vote at the mobile polling place; and
 - (b) dates and hours during which votes may be cast at the place during the mobile polling period.
- (3) In making the declaration, the returning officer must have regard to the following:
 - (a) whether or not there is a distinct community of electors who may be served by the mobile polling place;
 - (b) the practicality for those electors to attend another polling place for the election;

- (c) the practicality of establishing the mobile polling place for those electors, having regard to their number and resources required for doing so.
- (4) If the declaration specifies a class of electors, only a person in that class may vote at the mobile polling place.
- (5) The returning officer must:
 - (a) give notice to the public of the declaration that is reasonable and practicable in the circumstances; and
 - (b) as far as practicable, notify the community or electors to be served by the mobile polling place in a way that is reasonable in the circumstances.

33 Change of mobile polling place, dates or hours for voting

- (1) The returning officer may substitute another polling place for the mobile polling place or change the dates or hours specified for the place if satisfied there are special circumstances requiring the substitution or change.
- (2) The returning officer must give notice to the public of the substitution or change that is reasonable and practicable in the circumstances.

34 Authorised officers to be present during polling

At least 2 officers must be present at a mobile polling place when the place is open for polling.

35 Voting at mobile polling place

Voting is to take place at a mobile polling place in the same way as at a polling place on polling day.

36 Dealing with ballot boxes

- (1) The authorised officer in charge of a mobile polling place must keep ballot boxes containing ballot papers in proper custody and must ensure that, when they are not in use, they are properly secured.
- (2) At the conclusion of mobile polling, the authorised officer must send the ballot boxes to the Electoral Commissioner for safe custody, or make other provision as directed by the Electoral Commissioner for the safe custody of the ballot boxes, pending the scrutiny.

Division 6 Miscellaneous

37 Polling times

On polling day:

- (a) the poll must open at the start of the polling period and close when all electors present in the polling place at the end of the polling period and desiring to vote have voted; and
- (b) the polling place must be closed at the end of the polling period and no person is to be admitted after that time for voting.

38 Assistance to certain voters

- (1) A voter who is unable to vote may be assisted in voting if the voter would otherwise be unable to vote.
- (2) An assistant must be:
 - (a) if the voter is a postal voter – an authorised witness; or
 - (b) if paragraph (a) does not apply – a nominee of the voter or, if there is no nominee, an authorised officer.
- (3) An assistant may enter a voting compartment to assist a voter to vote, but an authorised officer must not do so except in the presence of:
 - (a) a scrutineer; or
 - (b) if no scrutineer is present – another authorised officer.
- (4) An assistant may assist a voter in any of the following ways:
 - (a) by acting as an interpreter;
 - (b) for a declaration vote – by completing, or assisting the voter to complete, the declaration;
 - (c) by explaining the ballot paper and the requirements of these regulations relating to its marking;
 - (d) by marking, or assisting the voter to mark, the ballot paper at the voter's direction;
 - (e) by folding the ballot paper and placing it in a ballot box or declaration envelope, or giving it to an authorised officer, as required by these regulations.

39 Assistance to voters unable to enter polling place

- (1) This regulation applies if the authorised officer in charge of a polling place is satisfied a voter cannot enter the polling place because of a physical disability, illness, advanced pregnancy or another condition.
- (2) The voter may vote outside the polling place, but close to the polling place, and may be assisted in voting.
- (3) Before allowing the voter to vote outside the polling place, the authorised officer must:
 - (a) tell any scrutineers at the polling place that the voter is to vote outside the polling place; and

 - (b) fold the ballot paper to conceal the names of the candidates; and
 - (c) give the ballot paper to the authorised officer.
- (5) The voter must be allowed to mark his or her vote on the ballot paper in private.

- (7) If the voter is casting a declaration vote, the authorised officer must:
 - (a) in the presence of the voter, without unfolding the ballot paper, place the ballot paper in the declaration envelope and seal the envelope; and
 - (b) place the envelope in a ballot box at the polling place.

40 Spoilt or discarded ballot paper

- (1) Subregulation (2) applies if an authorised officer at a polling place:
 - (a) is satisfied a ballot paper given to the officer by a person has been spoilt by mistake or accident; or

- (b) finds a ballot paper discarded at the polling place.
- (2) The authorised officer must:
 - (a) cancel the ballot paper by writing "spoilt" or "discarded" on it; and
 - (b) place the ballot paper in an envelope, seal the envelope and endorse the envelope with a statement of its contents; and
 - (c) for a spoilt ballot paper – issue to the person an unused ballot paper.
- (3) As soon as practicable after the close of polling, the authorised officer must place all envelopes mentioned in subregulation (2)(b) with unused ballot papers.

41 Dealing with ballot boxes and electoral papers

- (1) At the close of polling, the authorised officer in charge of a polling place must, in the presence of any scrutineers:
 - (a) close and seal the ballot boxes containing ballot papers for ordinary voting or declaration voting; and

 - (c) parcel and seal all other electoral papers used at the polling place (including spoilt and discarded ballot papers).
- (2) The authorised officer must send the ballot boxes and papers mentioned in subregulation (1) to the returning officer for the election for scrutiny.
- (3) However, subregulations (1)(a) and (2) do not apply to ballot boxes if the polling place is a scrutiny centre and scrutiny of the poll is to proceed immediately after the close of polling at the polling place.

42 Adjournment of polling

- (1) An authorised officer in charge of a polling place may adjourn polling at the place on polling day if because of riot, violence, fire, storm, flood or another similar event it is not practicable to proceed with polling.
- (2) If the authorised officer is not the returning officer for the election, the authorised officer must immediately notify the returning officer of an adjournment under subregulation (1).

- (3) The returning officer must decide a day (as soon as practicable, and no later than 21 days, after the adjournment) as the day when polling is to resume if the returning officer believes it is not reasonably practicable for an elector affected by the adjournment to cast a vote at another polling place.
- (4) If it is impracticable to resume the polling at the same polling place, the returning officer must decide the polling place where polling may be resumed.
- (5) The returning officer must, as soon as practicable, give such notice as is reasonable in the circumstances of the adjournment and any decision under subregulation (3) or (4).

43 Employee wishing to vote

- (1) On notice by an employee before a polling day, the employee's employer must allow the employee, without penalty or any disproportionate deduction of pay, to take any necessary leave (not exceeding 2 hours) for the purpose of voting.
- (2) However, subregulation (1) does not apply if the employee's absence may cause danger or substantial loss.
- (3) An employee must not seek leave from an employer under subregulation (1) unless the employee genuinely intends to vote during the leave.

Fault element: An intention to deceive.

Maximum penalty: 5 penalty units.

Part 4 The Scrutiny

Division 1 Preliminary

44 How scrutiny carried out

- (1) The result of polling at an election must be determined by scrutiny in accordance with this Part.
- (2) Proceedings at the scrutiny must be open to the inspection of scrutineers and other persons approved by the returning officer.
- (3) The returning officer may from time to time adjourn the scrutiny.

Division 2 Formality of ballot papers and related matters

45 Informal ballot paper

- (1) A ballot paper is informal:
 - (a) unless it is:
 - (i) printed by a printer authorised by the returning officer to print ballot papers for the election; or
 - (ii) created for the election by an authorised officer and initialled by an authorised officer; or
 - (b) unless it is marked with a vote clearly indicating the order of the voter's preference for all candidates; or
 - (c) if an authorised officer is satisfied the voter can be identified because of a mark or other writing on it.
- (2) For subregulation (1)(b), a voter is taken to have indicated his or her order of preferences for all the candidates on a ballot paper in the circumstances mentioned in subregulation (3), (3A) or (3B).
- (3) If there are only 2 candidates and the voter placed a single "1", "✓" or "X" in one candidate square and either placed a "2" in the remaining candidate square or left it blank, then:
 - (a) the candidate whose candidate square is placed with a "1", "✓" or "X" is taken to be the voter's first preference; and
 - (b) the other candidate is taken to be the voter's last preference.
- (3A) If there are 3 or more candidates and the voter placed a single "1", "✓" or "X" in one candidate square and placed consecutively increasing whole numbers (starting with a "2") in the remaining candidate squares until a number is placed in each of those candidate squares, then:
 - (a) the candidate whose candidate square is placed with a single "1", "✓" or "X" is taken to be the voter's first preference; and
 - (b) the number placed in each of the other candidate squares is taken to indicate the rest of the voter's order of preferences.

- (3B) If there are 3 or more candidates and the voter placed a single "1", "✓" or "✗" in one candidate square, left one candidate square blank and placed consecutively increasing whole numbers (starting with a "2") in the remaining candidate squares until a number is placed in each of those candidate squares, then:
- (a) the candidate whose candidate square is placed with a single "1", "✓" or "✗" is taken to be the voter's first preference; and
 - (b) the candidate whose candidate square is left blank is taken to be the voter's last preference; and
 - (c) each number placed in any other candidate square is taken to indicate the voter's order of preferences between the first and last preferences.
- (4) A ballot paper is not informal merely because of some other error or misdescription unless an authorised officer is satisfied that the error or misdescription is likely to have misled the voter, thus causing the vote to miscarry.

Note for subregulation (4)

It follows that if a candidate's name appears on a ballot paper in an incomplete form, or is misspelled, the ballot paper would not be informal unless an authorised officer were satisfied that the deficiency or error is likely to have caused doubt or confusion about the identity of the candidate.

46 Postal and declaration voting papers to be rejected on basis of time or manner of receipt

- (1) Postal voting papers must not be accepted for scrutiny unless the envelope bearing the postal vote certificate is received by the returning officer before 12 noon on the sixth day after polling day.
- (2) A declaration ballot paper must not be accepted for scrutiny:
 - (a) if it is a declaration ballot paper issued under regulation 27 after an application made under regulation 26(2) or issued under regulation 23 and cast under regulation 24(1B) or (2) – if it is not received for scrutiny in a sealed envelope; and
 - (b) if it is a declaration ballot paper issued under regulation 27 after an application made under regulation 26(2) or issued under regulation 23 and cast under regulation 24(2) – if the elector's declaration on the envelope is also not signed and witnessed as required under these Regulations.

47 Rejection of informal ballot papers

An authorised officer responsible for the scrutiny must:

- (a) examine each ballot paper (except those not accepted for scrutiny) to determine whether it is formal; and
- (b) set aside all informal ballot papers, count them and place them in a parcel.

48 Objections by candidate's scrutineer

- (1) A candidate's scrutineer may object to the admission or rejection of a ballot paper as a formal ballot paper.
- (2) The objection must be made to an authorised officer conducting the scrutiny.
- (3) The authorised officer must decide the objection by admitting or rejecting the ballot paper the subject of the objection as a formal ballot paper and must mark the ballot paper "admitted" or "rejected" according to the decision.

Division 3 Declaration votes

49 Examination of voting papers for declaration voting

- (1) An authorised officer must examine each unopened envelope containing a declaration ballot paper.
- (2) If it appears from the declaration that the envelope contains an absentee vote for an election for another local government area (or a ward of another local government area), the authorised officer must send the unopened envelope to an authorised officer for the relevant area so that that authorised officer may determine whether the vote should be admitted to the count.
- (3) If the declaration envelope is not for an absentee vote and the returning officer is satisfied that:
 - (a) the declaration on the envelope is properly signed and witnessed; and
 - (b) the person who made the declaration is entitled to vote and:
 - (i) the person does not appear to have voted more than once at the election; or

- (ii) in the case of a person marked as having already voted – there is a reasonable possibility that the mark was inserted in error;

the authorised officer must admit the envelope to the scrutiny.

- (4) When the authorised officer admits a declaration envelope to the scrutiny, the authorised officer must:
 - (a) record the fact that the voter has voted by placing a mark against the voter's name on an electoral roll or in some other appropriate way; and
 - (b) take the ballot paper out of the envelope; and
 - (c) place the envelope in a parcel with all other envelopes from which ballot papers have been taken under paragraph (b).
- (5) If the authorised officer is not satisfied of the matters mentioned in subregulation (2), the officer must:
 - (a) exclude the ballot paper from further scrutiny without opening the envelope in which it is contained; and
 - (b) place the unopened envelopes in a parcel.
- (6) The authorised officer must seal the parcels mentioned in subregulations (4)(c) and (5)(b) and endorse on each parcel a statement of its contents.
- (7) A candidate's scrutineer may sign a sealed parcel.

Division 4 Postal votes

50 Receipt of postal voting papers

On receipt of postal voting papers, an authorised officer must:

- (a) note on the elector's postal vote certificate the date and time of receipt; and
- (b) place the postal voting papers in a secure receptacle.

51 Scrutiny of postal voting papers

- (1) The following provisions apply to the scrutiny of postal voting papers.

- (2) An authorised officer must reject postal voting papers if the authorised officer is satisfied that:
 - (a) the postal voting papers were witnessed after 6 pm on polling day; or
 - (b) the postal voting papers were received after 12 noon on the 6th day after polling day.
- (3) If postal voting papers are not rejected under subregulation (2), the authorised officer must, unless the election is a mandatory postal vote election, compare the signature of the elector on the elector's postal vote certificate with the signature of the elector on the elector's application for postal voting papers or for registration under the *Electoral Act* as a postal voter.
- (4) Subject to subregulation (4A), the authorised officer must admit a postal ballot paper for scrutiny if satisfied that:
 - (a) the elector's signature on the postal vote certificate purports to be witnessed by an authorised witness; and
 - (b) one of the following applies:
 - (i) the election is not a mandatory postal vote election and the signature is that of the elector who signed the application;
 - (ii) the election is a mandatory postal vote election, the postal voting papers were issued to a person other than a person who applied for postal voting papers under regulation 26(2) and the number on the postal vote certificate corresponds with the number of the person on the electoral roll.
- (4A) If replacement postal voting papers have been issued, or issued and sent, to an elector and the authorised officer receives both the replacement postal voting papers and the other voting papers replaced by the replacement postal voting papers, the authorised officer must admit only the replacement postal ballot paper for scrutiny.
- (5) When the authorised officer admits for scrutiny a postal ballot paper issued or issued and sent to an elector, other than an elector who applied for postal voting papers under regulation 26(2), the authorised officer must:
 - (a) place a mark against the voter's name on the electoral roll; and

- (b) take the ballot paper out of the envelope and, without unfolding it, place it in a ballot box; and
 - (c) place the envelope in a parcel with all other envelopes from which ballot papers have been taken under paragraph (b).
- (6) If the authorised officer rejects postal voting papers under subregulation (2), the officer must mark the unopened envelope with the word "rejected" before placing it in a parcel of rejected postal voting papers.

Note for regulation 52

Under Schedule 1, clause 4, an authorised officer may be assisted by any other authorised officers in counting the votes.

- (a) the election of the principal member of a council under regulation 53; or

- (4) If the deceased candidate would have been elected on that determination (the **original determination**), the result of the election for the electorate must be further determined as follows:
- (a) if there is only one unelected candidate remaining on the original determination (including an excluded candidate as defined in Schedule 1), that candidate is to be determined as elected;
 - (b) otherwise – the votes are to be recounted under Schedule 1 as provided in clause 18 of the Schedule as if the deceased candidate were a candidate who died as mentioned in that clause.
- (5) The recount under subregulation (4)(b) must:
- (a) not take into account the result of the original determination; and

 - (a) on an earlier count the question of which of 2 or more candidates with an equal number of votes is to be excluded arose; and

Part 8 Transitional matters for Electoral and Other Legislation Amendment Act 2011

Schedule 1 Counting of votes and filling of vacancies

regulations 52 to 54A

1 Definitions

In this Schedule:

continuing candidate means a candidate not already elected or excluded from a count under this Schedule.

elected, in relation to a candidate, means the candidate is to be elected as determined under this Schedule.

excluded candidate means a candidate who is excluded under clause 8 or 10.

quota means the quota worked out under clause 5(1)(d).

surplus, of an elected candidate, see clause 6(1).

transfer value:

- (a) for a transfer of the surplus of an elected candidate – see clause 6(1)(a) (including that clause as affected by clause 7); or
- (b) for a transfer of the votes of an excluded candidate – means the transfer value mentioned in clause 8(3) or (5).

2 Interpretation – references to votes for a candidate

A reference to votes of, or obtained or received by, a candidate includes votes obtained or received by the candidate on any transfer under this Schedule.

3 Interpretation – what constitutes a separate transfer

For this Schedule, each of the following constitutes a separate transfer:

- (a) a transfer under clause 6 or 9(2) of the surplus of any elected candidate;
- (b) a transfer under clause 8(3) of all first preference votes of an excluded candidate;
- (c) a transfer under clause 8(5) of all the votes of an excluded candidate that were transferred from another candidate.

4 Roles of authorised officer, other officers and scrutineers

The counting of votes for an electorate must be conducted by an authorised officer (*the authorised officer*) with the assistance of any other authorised officers, and in the presence of any scrutineers, under this Schedule.

5 Determination of quota and election of candidate on first preference votes

- (1) The authorised officer must:
 - (a) ascertain the number of first preference votes given to each candidate in the electorate; and
 - (b) ascertain the total number of all first preference votes given in the electorate (the amount **A**); and
 - (c) add 1 to the number of candidates required to be elected for the electorate (the amount **B**); and
 - (d) determine the *quota* for each electorate, which is worked out as follows:
 - (i) divide A by B (disregarding any fraction);
 - (ii) add 1 to the amount worked out under subparagraph (i).
- (2) Any candidate who has received a number of first preference votes equal to or greater than the quota is elected.
- (3) For this Schedule, if the total number of all first preference votes given in the electorate is 150 or less, the number of votes of any kind contained in the ballot papers are taken to be the amount worked out by multiplying the number of votes of that kind contained in the ballot papers by 100.

6 Transfer of surplus from elected candidates

- (1) Unless all the vacancies for the electorate have been filled, the number (if any) of votes in excess of the quota (the *surplus*) of each elected candidate must be transferred to the continuing candidates as follows:
 - (a) the surplus must be divided by the number of first preference votes received by the elected candidate (the resulting fraction is the *transfer value*);

- (b) the total number of ballot papers of the elected candidate that both express the first preference vote for that candidate and the next available preference for a particular continuing candidate must be multiplied by the transfer value;
- (c) the number so obtained (disregarding any fraction) must be added to the number of first preference votes of the continuing candidate and all those ballot papers must be transferred to the continuing candidate.

Note for subclause (1)

Because of clause 7, the transfer value for an elected candidate's surplus is effectively worked out by dividing the surplus by the total number of ballot papers received by the elected candidate, including those expressing votes that are taken to be first preference votes for the elected candidate under clause 7(a).

- (2) Any continuing candidate who has received a number of votes equal to or greater than the quota on the completion of any transfer under subclause (1) is elected.
- (3) Unless all the vacancies for the electorate have been filled:
 - (a) the surplus (if any) of any candidate elected under subclause (2), or elected subsequently under this subclause, must be transferred to the continuing candidates in accordance with subclause (1); and
 - (b) any continuing candidate who has received a number of votes equal to or greater than the quota on the completion of any such transfer is elected.

Note for subclause (3)

See clause 7.

- (4) If a continuing candidate has received a number of votes equal to or greater than the quota on the completion of a transfer of the surplus of a particular elected candidate because of subclause (1) or (3), no votes of any other candidate are to be transferred to the continuing candidate.

7 How to deal with ballot papers on transfer of surplus

For applying clause 6(1) to a transfer of the surplus of an elected candidate because of clause 6(3)(a) or 9(2), each ballot paper of the elected candidate that was obtained on a transfer under this Schedule must be dealt with as if:

- (a) any vote it expressed for the elected candidate were a first preference vote; and

- (b) any other candidate previously elected or excluded had not been a candidate; and
- (c) the subsequent preferences of the voter had been altered accordingly.

8 Transfer of ballot papers on exclusion of candidate

- (1) This clause applies if no candidate has, or less than the number of candidates required to be elected have, received a number of votes equal to or greater than the quota after:
 - (a) the counting of first preference votes; or
 - (b) the election of a candidate and the transfer of the surplus (if any) of the elected candidate that are capable of being transferred.
- (2) If this clause applies:
 - (a) the candidate who has the fewest votes must be excluded; and
 - (b) the excluded candidate's votes and ballot papers must be transferred to the continuing candidates as provided in subclauses (3) to (6).
- (3) The total number of first preference votes for the excluded candidate contained in ballot papers that express the next available preference for a particular continuing candidate must be transferred (each first preference vote at a transfer value of one) to the continuing candidate.
- (4) The transferred votes must be added to the number of votes of the continuing candidate and all the ballot papers containing those votes must be transferred to the continuing candidate.
- (5) The total number (if any) of other votes obtained by the excluded candidate on transfers under this Schedule must be transferred from the excluded candidate in the order of the transfers on which they were obtained (the votes obtained on the earliest transfer being transferred first) as follows:
 - (a) the total number of ballot papers of the excluded candidate received from a particular candidate that express the next available preference for a particular continuing candidate must be multiplied by the transfer value at which the votes contained in those papers were transferred to the excluded candidate;

- (b) the number so obtained (disregarding any fraction) must be added to the number of votes of the continuing candidate;
 - (c) all those ballot papers must be transferred to the continuing candidate.
- (6) However, the total number of ballot papers of the excluded candidate received from all candidates may be amalgamated if:
- (a) those ballot papers have the same transfer value; and
 - (b) the election was for a single vacancy.

9 Election of candidate on transfer of excluded candidate's votes and transfer of surplus of elected candidate

- (1) Any continuing candidate who has received a number of votes equal to or greater than the quota on the completion of a transfer under clause 8 of votes of an excluded candidate is elected.
- (2) Unless all the vacancies for the electorate have been filled, the surplus (if any) of the candidate so elected must be transferred in accordance with clause 6.

Note for subclause (2)

See clause 7.

- (3) However, if the candidate so elected is elected before all the votes of the excluded candidate have been transferred, the surplus (if any) of the candidate so elected must not be transferred until the remaining votes of the excluded candidate have been transferred as provided in clause 8(3) to (5) to continuing candidates.

10 Further exclusion of candidate

- (1) If after the exclusion of a candidate and the transfer of the votes (if any) of the excluded candidate that are capable of being transferred, no continuing candidate has received a number of votes greater than the quota:
- (a) the continuing candidate who has the fewest votes must be excluded; and
 - (b) that continuing candidate's votes and ballot papers must be transferred as provided in clause 8(3) to (5).
- (2) Subclause (1) has effect subject to clause 12.

11 No further transfer of votes

- (1) This clause applies if a candidate is elected as a result of:
 - (a) a transfer of the first preference votes of an excluded candidate; or
 - (b) a transfer of all the votes of an excluded candidate that were transferred to the excluded candidate from a particular candidate.
- (2) No other votes of the excluded candidate may be transferred to the candidate so elected.

12 Election of candidate out of 2 continuing candidates

- (1) For the last vacancy for which 2 continuing candidates remain, the continuing candidate who has the larger number of votes is elected even if that number is below the quota.
- (2) If those candidates have the same number of votes, the candidate with the larger number of votes at the last preceding count or transfer is taken to be elected.
- (3) If the number of votes at that count or transfer was equal, the authorised officer must, in the presence of any scrutineers who may be present, draw lots to determine which of the candidates is to be elected.

13 Election of candidates if number of vacancies equal to number of continuing candidates

Despite any other provision in this Schedule, if on the completion of a transfer of votes under this Schedule the number of continuing candidates is equal to the number of remaining unfilled vacancies, those continuing candidates are elected.

14 Order of election

- (1) For this Schedule, the order of election of candidates must be:
 - (a) in accordance with the order of the count or transfer as a result of which they were elected; and
 - (b) on the basis that the candidates (if any) elected on the count of first preference votes are to be the earliest elected.

- (2) If 2 or more candidates are elected as a result of the same count or transfer, the order in which they will be taken to have been elected must be:
 - (a) in accordance with the relative numbers of their votes; and
 - (b) on the basis that the candidate with the largest number of votes is to be the earliest elected.
- (3) However, if 2 or more of those candidates each has the same number of votes, the order in which they are taken to have been elected must be:
 - (a) in accordance with the relative numbers of their votes at the last count or transfer before their election at which each of them had a different number of votes; and
 - (b) on the basis that the candidate with the largest number of votes at that count or transfer is to be the earliest elected.
- (4) Furthermore, if there has been no such count or transfer, the authorised officer must, in the presence of any scrutineers who may be present, draw lots to determine the order in which the candidates are taken to have been elected.

15 Order of transfer

- (1) Subject to subclauses (2) to (4), if after any count or transfer under this Schedule, 2 or more candidates each has a surplus, the order of any transfers of those surpluses must be:
 - (a) in accordance with the relative sizes of the surpluses; and
 - (b) on the basis that the surplus of the candidate having the largest surplus is to be transferred first.
- (2) Subject to subclause (4), if after any count or transfer under this Schedule, 2 or more candidates have equal surpluses, the order of any transfers of those surpluses must be:
 - (a) in accordance with the relative numbers of votes of those candidates at the last count or transfer at which each of those candidates had a different number of votes; and
 - (b) on the basis that the surplus of the candidate with the largest number of votes at that count or transfer is to be transferred first.

- (3) However, if there has been no such count or transfer, the authorised officer must, in the presence of any scrutineers who may be present, draw lots to determine the order in which the surpluses are to be dealt with.
- (4) If a candidate obtains a surplus after any count or transfer under this Schedule, the surplus must not be transferred before the transfer of any surplus obtained by any other candidate on an earlier count or transfer.

16 Order of exclusion

- (1) If the candidate who has the fewest votes is required to be excluded and there are 2 or more candidates each having the fewest votes, whichever of those candidates had the fewest votes at the last count or transfer at which each of those candidates had a different number of votes will be excluded.
- (2) However, if there has been no such count or transfer, the authorised officer must, in the presence of any scrutineers who may be present, draw lots to determine which candidate will be excluded.

17 Setting aside of ballot papers

- (1) If the total number of votes of an elected candidate is equal to the quota, the ballot papers expressing those votes must be set aside as finally dealt with.
- (2) For subclause (1), the **ballot papers** include:
 - (a) ballot papers expressing first preference votes received by the candidate; and
 - (b) ballot papers obtained by the candidate on transfers under this Schedule.

18 Death of candidate

If a candidate dies before the end of polling day:

- (a) a vote indicated on a ballot paper opposite the name of the candidate must be counted to the candidate next in the order of the voter's preference; and
- (b) the numbers indicating subsequent preferences are taken to have been altered accordingly.
