Tropical Cyclone causes postponement of Mataranka Ordinary Meeting of Council

Heavy wet season inundation and the emergence of a Tropical Cyclone in the Gulf of Carpentaria has forced Roper Gulf Regional Council to postpone the Ordinary Meeting of Council it was set to hold in Mataranka on February 22.

Chief Executive Officer Michael Berto said the postponement was unavoidable due to the weather conditions created by Tropical Cyclone Alfred.

The Council will announce the date of the rescheduled meeting, which will still be held in Mataranka, in coming weeks.
