<b>TITLE</b>	New and Reviewed HR Policies
<b>REFERENCE</b>	689770
<b>AUTHOR</b>	Cristian Coman, Compliance Coordinator

**RECOMMENDATION**

- (a) **That the Hodgson Downs Local Authority receive and note the new and reviewed HR policies approved by Council. Council approve the following new policies:**

**ISSUES/OPTIONS/SWOT**HR031 Performance Management Policy

The HR031 Performance Management Policy covers the ss 105(a)(ii)-(iv) *Local Government Act* requirements.

The objectives of Roper Gulf Regional Council ('RGRC')'s Performance Management Policy ('Policy') are to:

- a) improve the standard of an employee's performance and/or correct an employee's conduct where RGRC deems this appropriate or necessary; and
- b) provide employees with an opportunity to improve their performance or correct their conduct (other than in situations where summary dismissal is appropriate).

HR024 Special Measures Recruitment Policy

The HR024 Special Measures Recruitment Policy outlines the recruitment of specific groups whilst complying with the *Anti-Discrimination Act* and *Racial Discrimination Act 1975* (Cth).

A special measure is a plan designed to promote equality of opportunity. Special measures are a form of lawful discrimination in favor of groups, such as Aboriginal and Torres Strait Islander persons, who have not yet achieved equality in employment (s57 *Anti-Discrimination Act*).

These guidelines are developed and implemented according to the Australian Human Rights Commission's '*Targeted Recruitment of Aboriginal and Torres Strait Islander People*' guidelines.

All appointments under Special Measures Recruitment will be based on requirements under the followed business needs:

- Designated Positions  
A program specifically designates a vacancy for a person from an Equal Employment Opportunity (EEO) group and it cannot be filled by any person from outside that group.
- Priority Consideration and Preference  
Applicants from the EEO target group will be considered first before all other applicants, and given preference in selection if they meet all the criteria and are at the suitable level.
