<b>OTHER/ ADVOCACY</b>			
<b>PROJECT DETAILS</b>		<b>LEAD AGENCY</b>	<b>MEETING COMMENTS</b>
Reticulated sewerage system		DHCD	REMOVE FROM LIST DCG will follow up with Department of Housing and Community Development on an update.
Road repairs to the by-pass road to Kalala		DIPL	DCG to look into if the road is in Council Boundaries. Road may need to be surveyed and gazetted for Council to take on responsibility of maintenance and repairs. Petition for road to be sealed because of dust. Environmentally friendly solution maybe using vegetable oil to seal the road for dust suppression. DCG to obtain more information on the best way to seal the road.
Waste Management Strategy		DIPL	Big Rivers Waste Management Strategy includes representatives from RGRG, VDRG and KTC which is formal group to implement NTG Waste Management Plan. Land ownership required to determine if pastoral lease or Crown land and permission sought for land ownership.
Dead Tree at park removal from the Old Police building		PAWA	Tree will fall on the old Post Office if cut down.

		Site and infrastructure is Heritage listed. Progress Association negotiating how to remove safely. Can RGRC assist to cut down? To be discussed in next meeting with DCG
Food/Camping/Hotel signs on the highway	DIPL	DCG to chase if response received from DIPL with any progress for signs to be installed.

Projects to be included in the list:

- Internal road upgrade and footpaths
- No Camping Sign on Crown Land

### 3. Other Business

#### 1. Roads:

Drainage issues in the town, gravel higher the pub. DCG suggested he could get the roads surveyed and apply for funding to repair and upgrade drainage issues and potholes.

#### 2. Basketball hoop

Currently broken, new one is in Katherine and DCG will get this delivered and installed ASAP. Backboard also broken and there is one in Barunga to be delivered and installed. DCG to Action.

#### 3. Scooter on road

A complaint made about resident riding scooter on the road as road is only for registered vehicles. There are no footpaths. To be included on list for 2017-18.

#### 4. Tourist numbers

Request for number of tourists to Daly Waters for the financial year. This will assist with knowing the facility usage in Daly Waters and future funding applications

#### 5. Volunteer Wardens

Request by resident to have volunteer wardens in Daly Waters to enforce rules/ laws for unlawful camping and antisocial behaviour. DCG explained the process of Authorised Officers for Council. DCG will investigate the possibility of having Volunteer Authorised Officers in Daly Waters.

Airstrip identified as a major problem area. No Camping signs for crown land to be added to the list of town priorities.

#### 6. Weeding at Tennis Courts

Progress is responsible for the tennis court. MOU between Council and the Progress Association will determine boundaries and prevent miscommunication of who holds responsibility over facilities and services in Daly Waters.

### 4. Meeting Closed at 1.05pm

Next Meeting: **October 2017 – Date to be confirmed**
