EXECUTIVE REPORTS

ITEM NUMBER	12.2
TITLE	Elected Member Report
AUTHOR	Daniele PIGA, Governance Officer

RECOMMENDATION

That the Robinson River Local Authority receives and notes the Elected Member Report.

KEY OUTCOME AREA

Governance: Increase the effectiveness and efficiency of the organisation, including in engagement with staff members, residents and external stakeholders.

BACKGROUND

The Elected Member Report provides Local Authorities with a summary of the decisions made at Ordinary Meetings of Council and Committee meetings since the previous Local Authority Meeting. The aim of this report is to convey the information from those meetings to the Local Authority members, and then from the Local Authority to the wider community.

Complete details of all Council, Committee and Local Authority agendas and minutes, are publicly available at www.ropergulf.nt.gov.au and can be provided upon request at all the Roper Gulf Regional Council offices.

ISSUES/OPTIONS/SWOT

The following matters were deliberated by Council at its last Ordinary Meeting on 04 December 2024 pertaining to the South West Gulf Ward:

ORDINARY MEETING OF COUNCIL – 04 December 2024

Council rescinded the Memberships of Maria PYRO, Jack GREEN, Andrew FIRLEY and Jonathon SAUER from the Borroloola Local Authority; and (c) resolved for the Borroloola Local Authority to comprise of six (6) Members in total.

Following Major Projects were discussed at this meeting:

Borroloola Cyclone Shelter – PR01

This project is being project managed by the Department of Infrastructure, Planning, and Logistics (DIPL). The project includes the variation of sport court resurfacing requested by Council. DIPL provided a project progress report for the month of August 2024. The current projected October 2024. We have had several postponed handover dates from DIPL. The current expected handover is the 16th of December.

Partial occupancy permit was supplied by DLI on the 23rd of December 2024. The permit covers the use of the facility in the event of an emergency, however access to the building still has conditions. The building contractor was returning to site on the 13/01/25 to continue completion of outstanding works, being the driveway, footpath, storm water, fencing, landscaping and the line marking.

Borroloola Airport Toilets – Stage 2 - PR09

Tender was released 14th August 2024, closed on 05 September 2024. No tenders received. Currently in negotiations with Pureblue about supply and installation only. Building permit applied for. Pureblue currently drafting certified drawings to finalise building permit. Awaiting certified drawing to proceed.

Borroloola Recycling Centre – PR04

Further to the contractor withdrawing from the project due to their issues with the concreting subcontractor, we now need to re-tender the work. Utilising this opportunity, our project team has fine-tuned the requirements based on improved clarity on the equipment in the facility and finalised the scope of works. As additional engineering services have been required to ensure compliance with fire and electrical standards and legislation, revised documentation along with design will be released to tender. Final design changes are currently being implemented, prior to tender documentation been created. Building permit application underway.

Borroloola Office Modifications – PR91

Review of previous design documentation underway, council staff currently re-scoping the project to meet current council needs.

Borroloola Drainage Works

AAPA Application has been submitted for road corridors, awaiting approval and confirmation of NLC meeting dates. AAPA has been received, scoping of project to commence.

Borroloola Tamarind Park Power Supply

Quotations have been obtained to complete these works in accordance with the updated scope from the Borroloola Local Authority.

Borroloola Scoping Streetlights along Robinson Road PR93

Concerns raised over the complete darkness along the lower sections of Robinson Rd. Investigate and quote the possibility of installing new streetlights. Road Safety Audit being undertaken from 25/11/24. RSA Complete, application for Black Spot funding underway, quotes ascertained for survey works.
